On today's date, R/L was approached by PO Herrera #9893 to approve some property turnovers for recently released arrestees who had personal property inventoried at the time of their arrest.

All property was located and returned except for a Trek mountain bicycle inventoried as personal property of the complainant by his arresting officers.

PO Herrera #9893 submitted a report indicating that the Trek mountain bicycle could not be located in the bulk evidence/property storeroom.

A check of the CLEAR system revealed the location of the property should still be in the 014th District and it had not been manifested to another location.

In an attempt to get additional information to identify the bicycle in the event it turned up at bulk storage warehouse, the complainant could only offer that it was two-toned and kind of copper/gold colored. He did not have any paperwork on it as he bought it off of some guy on the street for \$60 shortly after he was released from prison. He did not know this guy nor could he provide any details or description of him. The guy was just riding down the street on the bike and offered it to him. He believed it was in February 2012.
